

NetApp Quality Management System (QMS)

ISO 9001:2008

What Every Alternative Workforce Employee Should Know

YOUR PART – Quality Management System (QMS)

All Alternative Workforce Employees have roles and responsibilities in the success of the QMS. Your level of participation will vary depending on the work you perform. At a minimum, you are responsible for knowing:

- The commitments of the Quality Policy
- How your job supports the Quality Policy
- Where to find the Quality Policy – [link here](#)
- How your job impacts the Quality Management System
- The Procedures/Protocols of your job and adhering to them
- The potential impact to Quality when departing from procedures of your job
- The legal and other requirements of your job
- Where to find out more about the NetApp QMS

NetApp Quality Policy

“Netapp is committed to providing products and services that conform to customer contractual and regulatory requirements and to continually strive to exceed customer expectations.”

NetApp’s objective is to achieve our quality goal by:

- Defect prevention through:

- statistical process control

- Continual Improvement Through:

- Every Alternative Workforce employee’s commitment to quality
- Establishing and reviewing quality objectives
- Real time quality measurement and feedback
- Corrective action activity
- Management support and employee empowerment

I AGREE THAT AS A CONDITION OF EMPLOYMENT, I AM REQUIRED TO REVIEW ALL OF THE DOCUMENTS LISTED ABOVE.
I ACKNOWLEDGE AND CONFIRM THAT I SHALL COMPLY WITH THE TERMS AND CONDITIONS STATED IN THESE DOCUMENTS.
